

SingleLine SP190P/SM190C

Application:

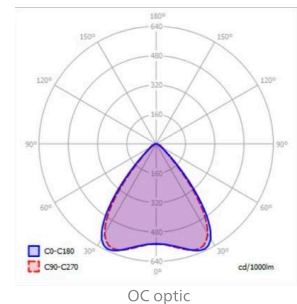

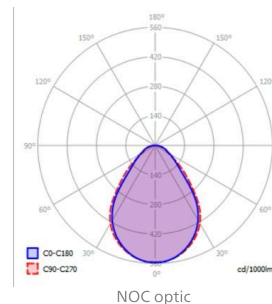

SingleLine SP190P/SM190C is a stand-alone light line slim design. Available in OC optical versions (UGR16) with high luminous flux and NOC (UGR23), made of a special microprism ensuring optical uniformity. This makes the SingleLine family not only suitable for office applications but also for general lighting.

Benefits:

- Simple installation – mounting accessories included
- Low glare optics: OC (UGR16) and NOC (UGR23) options
- NOC optic made of micro prism
- Available in black or white – other colors on request

Key features:

- Luminous flux up to 3900 lm
- Luminous efficacy up to 160 lm/W
- Lifetime: 100 000h at L80, 50 000h at L90
- CRI80 as standard; CRI 90 on request
- Color temperature 3000 K and 4000 K
- Power factor 0.95
- Length 1.2 m

Technical specifications:

5 years warranty
